

“One phone call on a Sunday morning proved their value. It reassured us that no matter when an anomaly or a cyberattack occurs, DefenseStorm is our eyes and ears, and will always have our backs. In fact, having them as a partner is better than having a full-time cybersecurity engineer on staff.”

**Roy Corum**  
Director of IT & Engineering  
Village Bank and Trust VP

## DEFENSESTORM +

### PROFILE

- More than \$700M in assets
- 9 branches

### CHALLENGE

In 2018, a Russian hacker attempted to infiltrate the Village Bank system by exploiting a vulnerability that an online platform consultant inadvertently exposed.

### SOLUTION

THREAT SURVEILLANCE plus TRAC Security Operations Team

GOVERNANCE PROGRAM

EDR

### IMPACT

- **Threat detected & shut down** BEFORE becoming an attack
- Real-time **anomaly detection**
- 24/7/365 monitoring with the TRAC team
