

“I really enjoy working with DefenseStorm because it feels more like partnership. I've had a great time utilizing the platform and having a one stop shop for all our cyber risk management needs.”

“We had a risk assessment for ebanking that needed to be done in a short timeframe... DefenseStorm really went above and beyond.”

DEFENSESTORM

PROFILE

- \$600M in assets
- 107 employees across 8 offices
- Serving approximately 32,000 members

CHALLENGE

Our Community Credit Union was seeking a cyber risk management solution that would leverage DefenseStorm's existing 24/7 monitoring and compliance tasks. The credit union also had an extremely short timeline to implement the tool to support their strategic initiatives.

SOLUTION

RISK ASSESSMENT
