

“The DefenseStorm solution allows us to show auditors from the NCUA exactly how we protect our members’ personal information and money. We can prove we are looking around the clock at logs and firewalls, aggregating this information, and keeping accounts safe.”

Manuel Zapien
Director of IT
Canvas Credit Union

DEFENSESTORM + canvas  credit union

PROFILE

- Serving approximately 300,000 members
- 26 branches
- +4B asset range
- 730 employees

CHALLENGE

Canvas Credit Union lacked an efficient way to monitor, aggregate and parse logs, and identify anomalies. They were unable to fully satisfy regulatory requirements and address executive leadership and board member concerns.

SOLUTION

THREAT SURVEILLANCE plus Cyber Threat Surveillance Operations (CTS Ops)

IMPACT

- **Improved reporting** for the National Credit Union Administration (NCUA) and the Federal Financial Institution Examination Council (FFIEC).
- Full-cycle **regulatory compliance**
- Targeted alerts
- 24/7/365 TRAC monitoring
