

“After PureIT conducted a thorough analysis, the recommendation was to continue partnering with DefenseStorm as it was still the best option on the market, even with our newly enhanced environment.”

“Even though our network, services and technology are constantly changing, we can count on DefenseStorm to help us effectively navigate the cybersecurity landscape.”

Jerry King  
President, CEO  
DEXSTA Federal Credit Union

## DEFENSESTORM + DEXSTA<sup>®</sup> FEDERAL CREDIT UNION

### PROFILE

- 6 branches
- 40,000 members

### CHALLENGE

With plans to innovate their current network, architecture, and design, DEXSTA enlisted the assistance of Pure IT to evaluate the existing partnership with 24/7/365 security provider DEFENSESTORM.

### SOLUTION

**THREAT SURVEILLANCE plus** Cyber Threat Surveillance Operations (CTS Ops)

### IMPACT

- Machine learning and rich content to curate **threat intelligence and alerting triggers**
- 24/7/365 TRAC monitoring
- Readily **accessible monthly reports**
- **Streamlined co-management** across 3 companies (DEFENSESTORM, Pure IT and DEXSTA)
