

“Every time I posed a question,
DEFENSESTORM was eager to
respond and it was clear they
knew the banking space.

“I only get to be wrong once”

DEFENSESTORM +

AXOS
BANK

PROFILE

- Approximately 1000 employees
- More than \$11B in assets
- Serving more than 30,000 customers

CHALLENGE

Axos Bank's legacy cybersecurity provider was unable to deliver adequate attention to detail and employed inefficient global processes that were not customizable to address the bank's specific needs.

SOLUTION

THREAT SURVEILLANCE plus Cyber Threat Surveillance Operations (CTS Ops)

GOVERNANCE PROGRAM

IMPACT

- **Built for Banking technology** to address security and compliance
- Cyber Threat Surveillance Operations (CTS Ops) **monitoring 24/7/365**
- Machine learning to curate **threats and triggers on over 2,000 systems**
- Same consoles and dashboards for **streamlined co-management**
